Friday, November 3, 2006

8:00 AM to 12:30 PM

Four (AA, BB, CC and DD) 4-team pools will play two games to 25 starting at 4. Must win by 2 points. These 4 pools will be made up of the 1st and 2nd place teams from the eight pools (A-H) on Thursday. For determining placement we will first look at pool play W-L record. If three teams hold the same W-L record, then we will look at pool play point differential (points scored minus points given up for all pool games). The team(s) with the higher point differential will be placed higher. If any teams are still tied at this point, we will put the head-to-head winner of their last pool play match in higher place. If they split, the team with the least points allowed during the head to head pool play will be placed higher. If any teams are still tied after all this, there will be a coin flip. If two teams hold the same pool play W-L record, then we will look at the head to head results of the teams' pool games, if the teams split, we will then place the team with the least points allowed during the head to head pool play in the higher position. If teams are still tied after all this, there will be a coin flip

Warm ups for the first 2 matches will be 2-4-4-1. Two minutes shared, four minutes individual team time for each team and then one minute of shared serving time. Other warm-ups will be 3-3-1.

Four (EE, FF, GG and HH) 4-team pools will play two games to 25 starting at 4. Must win by 2 points. These 4 pools will be made up of the 3rd place and 4th place teams from the eight pools (A-H) on Thursday. This will be determined in the same way as the AM pools.

Tournament Bracket Play Format

This year's tournament bracket play will consist of **4 divisions: Gold, Silver, Bronze and Iron**. Like last year, bracket play format does not allow for 5th and 7th place matches in any of the divisions. This format ensures that all teams play at least 2 matches in tournament bracket play, and helps schedule the finals in mid-afternoon on Saturday. See the brackets below for specifics on tournament matches to be played. We will provide the court help for tournament bracket matches. Warm ups for each team's first match of the day will be 2-4-4-1. Two minutes shared, four minutes each for team's individual team time and then one minute of shared serving time. Other warm-ups will be 3-3-1.

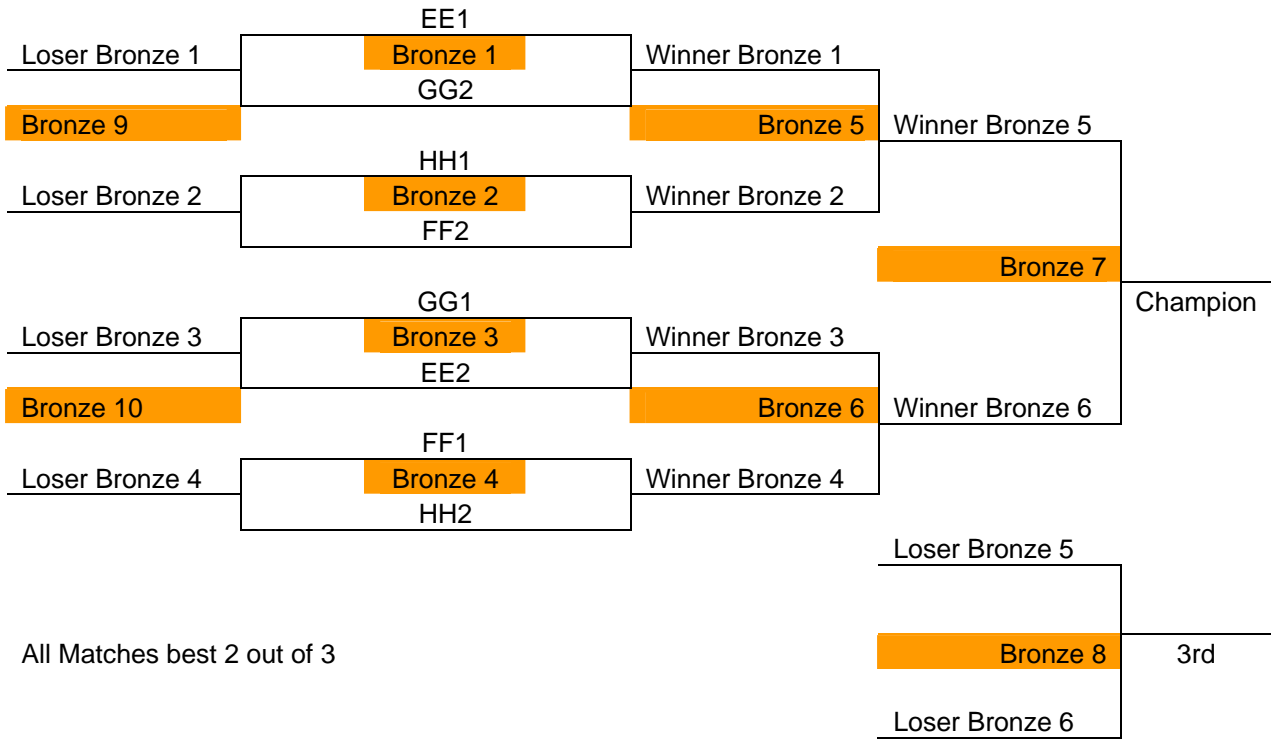

Friday 4:30 PM

All Gold division matches will be played on Saturday. **The first round matches of the Silver, Bronze and Iron Divisions will be played on Friday at the conclusion of pool play.** These rounds will be the Quarter Final matches in these divisions. The Silver division being the eight 3rd and 4th place teams from the Friday morning pools (AA,BB,CC,DD). Bronze being the eight 1st and 2nd place teams, and Iron being the 8 3rd and 4th place teams from Friday afternoon pools (EE,FF,GG,HH). For determining placement we will first look at pool play W-L record. If three teams hold the same W-L record, then we will look at pool play point differential (points scored minus points given up for all pool games). The team(s) with the higher point differential will be placed higher. If any teams are still tied at this point, we will put the head-to-head winner of their last pool play match in higher place. If they split, the team with the least points allowed during the head to head pool play will be placed higher. If any teams are still tied after all this, there will be a coin flip. If two teams hold the same pool play W-L record, then we will look at the head to head results of the teams' pool games, if the teams split, we will then place the team with the least points allowed during the head to head pool play in the higher position. If teams are still tied after all this, there will be a coin flip. All matches will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15.

Special Thanks

The Warrior Program would especially like to thank Luther Larson, President of eServices Corporation, and his son Brian Larson, for their untiring efforts on behalf of this tournament. Luther and Brian format the entire tournament, create the program and continually recreate and maintain the website. We are so grateful for the computer technology and tournament know-how that they both provide before and during the entire event. If you have any questions you'll find one of them not far from the computer table. Thanks guys, you are greatly appreciated.

Farewell Friends!

Thank you for joining us at this year's NCHAA National Homeschool Volleyball Tournament. The Omaha Warriors have really enjoyed hosting this annual event and hope your team, coaches and fans have had a memorable time. We invite you to make plans to come back next year. Watch for registration details on our website at www.nhsvbt.org in early spring 2007. See you all in November 2007!
