8:00 AM to 12:30 PM

Five (AA, BB, CC, DD and EE) 4-team pools will play two games to 25 starting at 4. Must win by 2 points. These 5 pools will be made up of the 1st and 2nd place teams from the ten pools (A-J) on Thursday. For determining placement we will first look at pool play W-L record. If three teams hold the same W-L record, then we will look at pool play point differential (points scored minus points given up for all pool games). The team(s) with the higher point differential will be placed higher. If any teams are still tied at this point, we will put the head-to-head winner of their last pool play match in higher place. If they split, the team with the least points allowed during the head to head pool play will be placed higher. If any teams are still tied after all this, there will be a coin flip. If two teams hold the same pool play W-L record, then we will look at the head to head results of the teams' pool games, if the teams split, we will then place the team with the least points allowed during the head to head pool play in the higher position. If teams are still tied after all this, there will be a coin flip

Warm ups for the first 2 matches will be 2-4-4-1. Two minutes shared, four minutes individual team time for each team and then one minute of shared serving time. Other warm-ups will be 3-3-1.

Tournament Bracket Play Format

This year's tournament bracket play will consist of 4 divisions: **Gold, Silver, Bronze I** and **Bronze II**. The format ensures that all teams play at least 2 matches in tournament bracket play and helps schedule the finals in early to mid-afternoon on Saturday. See the brackets below for specifics on tournament matches to be played.

For determining placement in **Gold** division bracket we will **seed the five #1** teams from the AA, BB, CC, DD and EE pools and then **place the #2 teams from the same pools** according to the place of the #1 team from their same pool. This #2 team placement will cross bracket teams from the same pools to ensure that second round pool play rematches do not occur in preliminary tournament play.

For determining placement in **Silver** division bracket we will **seed the five #3** teams from the AA, BB, CC, DD and EE pools and then **place the #4 teams from the same pools** according to the place of the #3 team from their same pool. This #4 team placement will cross bracket teams from the same pools to ensure that second round pool play rematches do not occur in preliminary tournament play.

For determining placement in **Bronze I** division bracket we will **seed the five #1** teams from the FF, GG, HH, II, and JJ pools and then **place the #2 teams from the same pools** according to the place of the #1 team from their same pool. This #2 team placement will cross bracket teams from the same pools to ensure that second round pool play rematches do not occur in preliminary tournament play.

For determining placement in **Bronze II** division bracket we will **seed the five #3** teams from the FF, GG, HH, II, and JJ pools and then **place the #4 teams from the same pools** according to the place of the #3 team from their same pool. This #4 team placement will cross bracket teams from the same pools to ensure that second round pool play rematches do not occur in preliminary tournament play.

Seeding of the #1 and #3 pool team for the first 5 positions in all brackets will be based on the following during the last set of pool games: 1) Win-Loss record, 2) The larger point differential, 3) The least points allowed, then 4) coin flip.

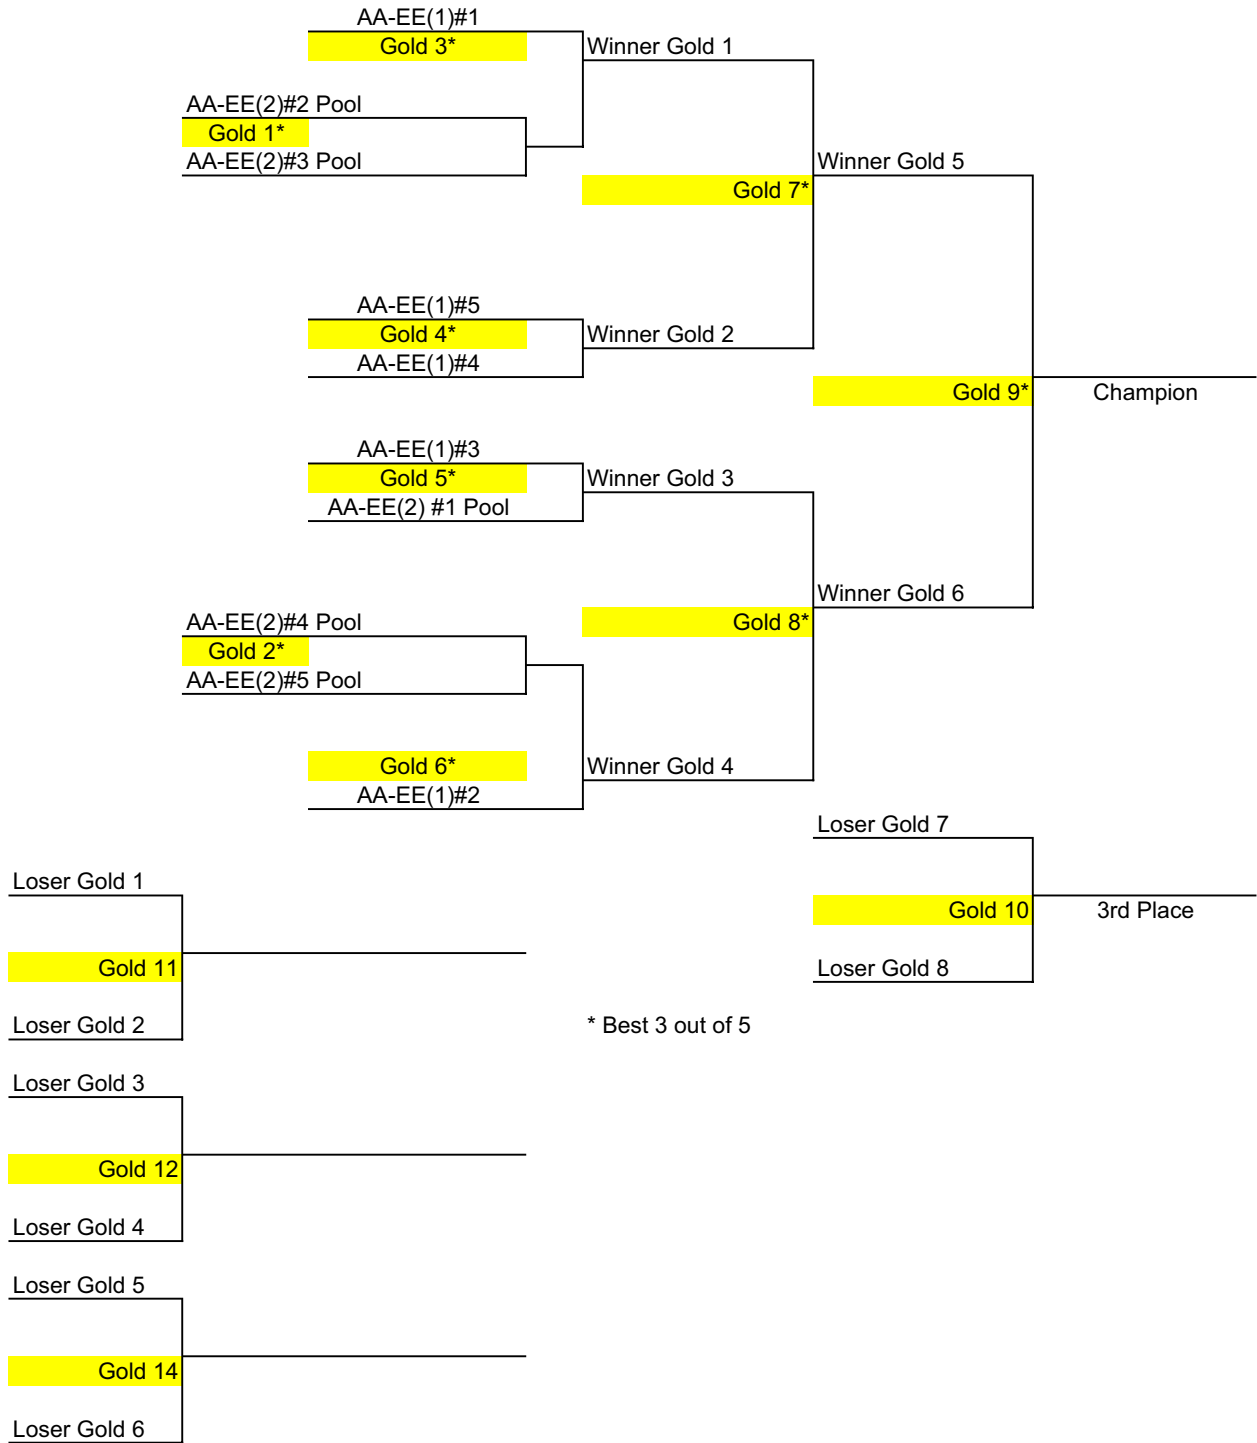

For Friday tournament matches we will pair matches requiring the team on the bottom side of the bracket from the second match of the pair to do lines and score keeping for the first match and the loser of the first match to do lines/scoring for the second match of the pair. For the Saturday matches lines judges and score keepers will be provided. Warm ups for each team's first match of the day will be 2-4-4-1. Two minutes shared, four minutes each for team's individual team time and then one minute of shared serving time. Other warm-ups will be 3-3-1.

Friday 3:00 PM

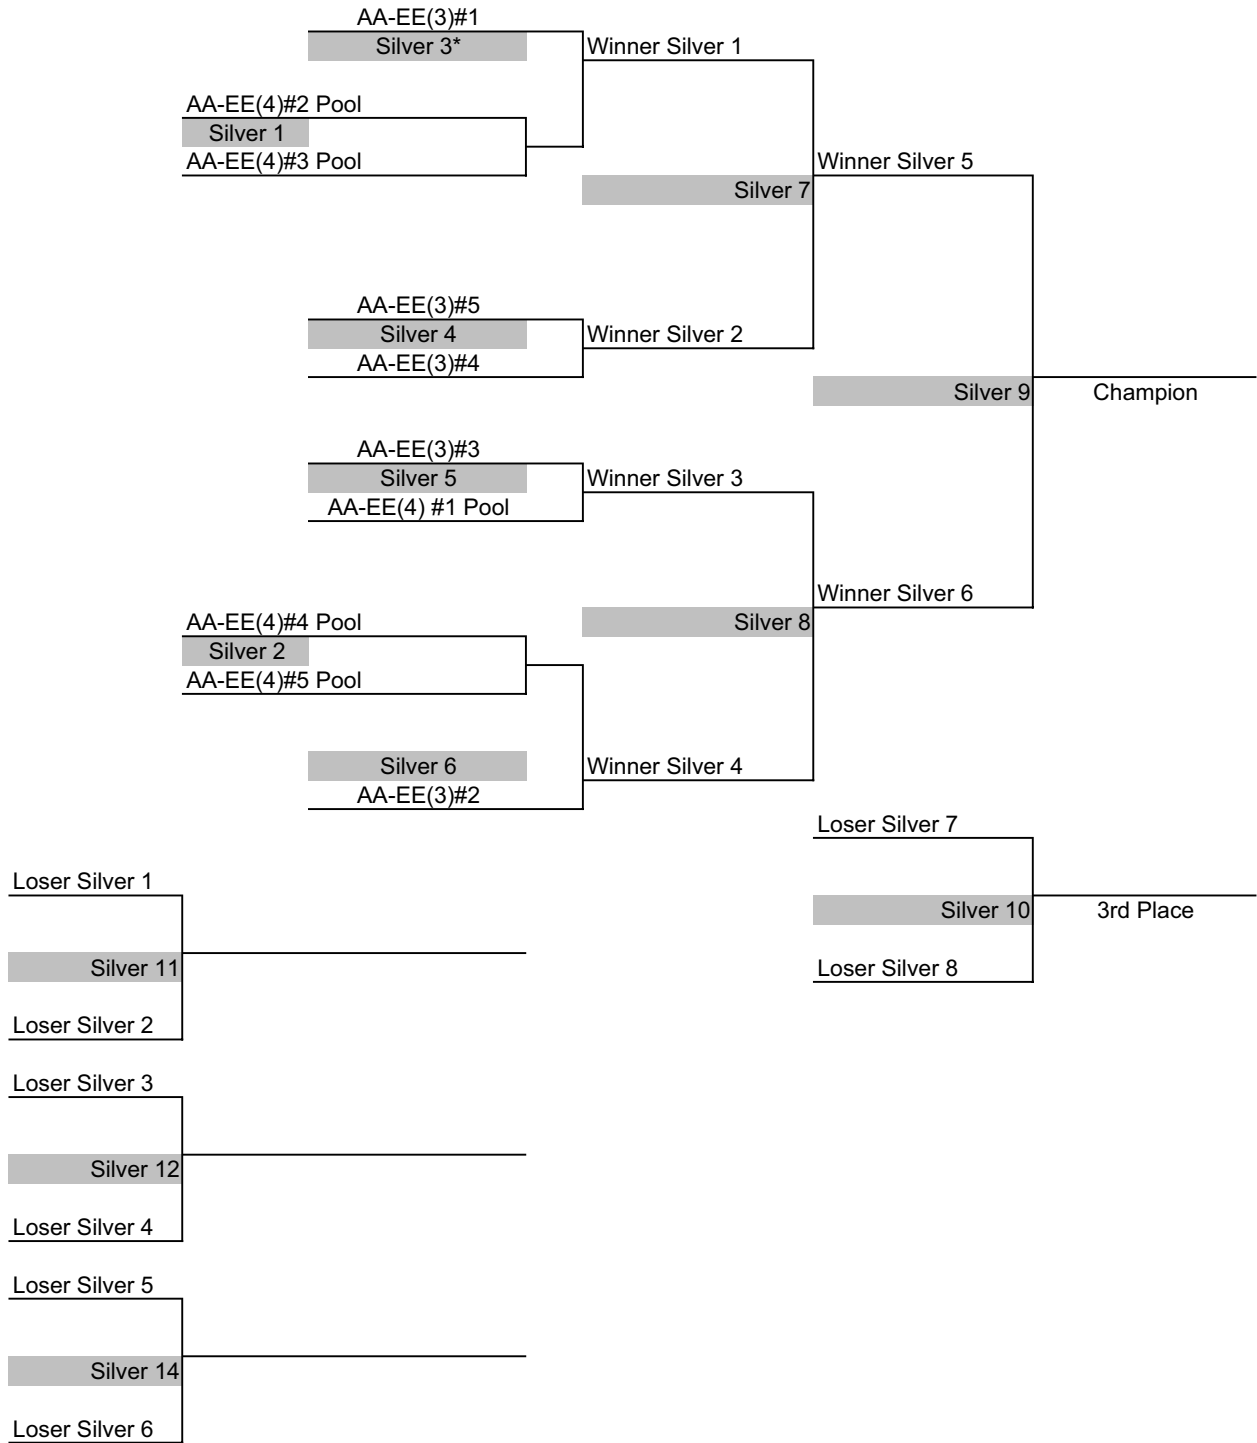

The first round (preliminary) matches for all divisions will be played on Friday afternoon/evening along with the Quarter Finals of the Gold and Silver Division Brackets. The Gold division being the ten 1st and 2nd place teams from the Friday morning pools (AA, BB, CC, DD, EE). The Silver division being the ten 3rd and 4th place teams from the Friday morning pools (AA, BB, CC, DD, EE). Bronze I being the ten 1st and 2nd place teams and Bronze II being the ten 3rd and 4th place teams from Friday afternoon pools (FF, GG, HH, II, JJ).

For determining placement in the pools we will first look at pool play W-L record. If three teams hold the same W-L record, then we will look at pool play point differential (points scored minus points given up for all pool games). The team(s) with the higher point differential will be placed higher. If any teams are still tied at this point, we will put the head-to-head winner of their last pool play match in higher place. If they split, the team with the least points allowed during the head to head pool play will be placed higher. If any teams are still tied after all this, there will be a coin flip. If two teams hold the same pool play W-L record, then we will look at the head to head results of the teams' pool games, if the teams split, we will then place the team with the least points allowed during the head to head pool play in the higher position. If teams are still tied after all this, there will be a coin flip. All Silver and Bronze matches will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15. All Gold matches (except for consolation matches) will be 3 out of 5 (scored 1-25). Game 5 will be scored 1 to 15.
