# WELCOME!

Welcome to the 16<sup>th</sup> Annual National Homeschool Volleyball Tournament! We are delighted to have all our returning teams, and we would like to extend a special welcome to these new participants:

**Cornerstone Lady Saints – from Topeka, Kansas**

**Fairfax Hawks – from Fairfax, Virginia**

**OKC Knights – from Oklahoma City, Oklahoma**

We want to highlight a few features we have to offer for the 2014 tournament:

**Trainers:** We will have a trainer on site for your athletes. The hours will be limited, but please take advantage of their services. Hours will be posted on the board near the front entrance.

**NHSVBT Scholarship:** We are awarding a \$500 scholarship to a senior player – this will be presented during the closing ceremonies.

***1 Timothy 4:8* For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come.**

## **A Little NHSVBT Trivia:**

In 1999, the first National tournament was held with 8 teams represented. Of the original eight teams, two are represented again this year.

**HCYA Lady Eagles, TX**

**Metro (Omaha) Warriors, NE**

Over the last sixteen years, our records show that 367 teams across the nation have participated; approximately 4000 athletes have played in four different venues in Omaha. We have gone from word of mouth & phone calls, to mailing lists, to email, and now the web—Facebook included. We are the longest lasting National Homeschool Volleyball tournament in the country.

We look forward to seeing how the tournament will develop in the future. But it is you - the coaches, players, and parents who have worked hard to become successful on the court this season, and it is you who deserves the recognition. As parents of homeschool athletes, we know the cost and want to thank you for your sacrifices. In respect for your hard work, we thank you for coming to Omaha and want you to know that we will work hard to make this event a great experience for you and your girls. Most of all we hope to bring honor and glory to our Lord and Savior, Jesus Christ. To that end, please do not hesitate to let us know how we can serve you. We pray that your stay in Omaha will be a most blessed and memorable time.

Good Luck to all the teams!

Pam Stander, for the Metro (Omaha) Warrior Board

2014 NHSVBT Director

# GENERAL INFORMATION

## WARM-UPS

Warm ups will be 3-3-1. Three minutes each for individual team time and then one minute of shared serving time.

## OFFICIATING TEAM

### POOL PLAY

The team labeled “**Lines**” will provide **trained and competent line judges, scorekeeper, libero tracker and clock operator** for the designated match. If a team scheduled to provide court help is late for the assigned time, that team will lose 1 point in their next scheduled set for every minute they are late, up to 25 points. Please report for duty to the referee immediately following your played match. **For all other first matches, please arrive 15 minutes early.**

### BRACKET PLAY

In the **Gold** tournament all court workers will be provided. In the **Silver** tournament, all games on the winning side of the brackets will have court workers provided. On the losing side of the brackets, teams will be assigned to provide court workers for the game that follows on their court. Refer to the **Master Court Schedule** for assignments. In the **Bronze** tournaments, losing teams will officiate for later games. The team assigned to do lines will provide **trained and competent line judges, scorekeeper, libero tracker and clock operator** for the designated match. If a team scheduled to provide court help is late for the assigned time, that team will lose 1 point in their next scheduled set for every minute they are late, up to 25 points. Please report for duty to the referee immediately following your played match or 15 minutes before a match in the morning. **Please be aware that if you lose a game, you will most likely work at the next game on your court.**

## COIN TOSS

Teams will be designated home or visitor. The referee will designate one team “heads” and the other team “tails”, and will toss the coin. The winner of the coin toss will have the choice of “serve”, “receive”, or choice of court. The serving team for the match will have the first court during the warm-up. Teams will not be designated “home” or “visitor” on the scoreboard, but the score will correspond to which team is on which side of the court.

## GENERAL RULES

1. All player substitutes and coaches must be seated on the team bench. If there is room for statisticians or photographers to be seated, they can remain on the bench. If there is not enough sitting room, they must sit in the spectator areas.
2. There are racks provided for players to store their bags. Please ensure all bags are placed in the proper area and not in the spectator areas.
3. Sport Court Rule -- When serving the ball, a player must be on the playing surface during the entire service action. Non-playable areas are all areas beyond the sport court. If the ball goes into the free zone, a player may continue to play the ball. If the ball goes beyond the free zone (off the sport court above the secondary surface), the player must contact the ball while a body part is in contact with the playable area. After playing the ball, a player's momentum may carry him/her off the playing surface without penalty.

## Future Changes to NHSVBT

As homeschooling continues to evolve, the board of the National Homeschool Volleyball Tournament (NHSVBT) feels that we need to update our definition of what we would consider Home Schooled. So beginning with the 2016 NHSVBT, we will adopt a new definition of Home Schooled for the purposes of determining eligibility to play in our tournament. If you have any questions, feel free to ask any board member.

### NHSVBT Definition of Home Schooled:

This tournament is open to girls on home school teams who have not turned 19 yrs of age prior to Aug 1 of the current school year. Players must be at least 50% home schooled, defined as parent directed home education, and passing all courses. Parent directed home education includes the following:

- 1) Dual-credit college courses where the college institution admits the student as a high school student.
- 2) Courses that are taught in the home/studio of the player's parent(s), grandparent(s), sibling (age 18 or older), legal guardian, or another home school parent or tutor, provided the instruction by a non-parent is done under the direction and supervision of the child's parent(s).
- 3) Courses that are taught at a central location (e.g. home school support group "co-op" classes, such as chemistry, speech, or calculus) by a parent or tutor.
- 4) Correspondence/virtual/distance learning courses provided by a private kindergarten through grade 12 program or school.

Courses taught or otherwise provided by a public or private school, where the player is counted in that school's enrollment, are not considered as part of the 50% of classes which are home school classes.

Once a player has completed high school coursework, or participated in high school graduation ceremonies, he or she is ineligible to participate in the NHSVBT tournament.

## **ROUND 2 OF POOL PLAY**

**Three pools of six teams each playing Thursday PM – Friday.**

### **Thursday, October 30, 2014**

**12:30 PM - 3:30 PM**

The first six of fifteen matches of the 2<sup>nd</sup> round of pool play. Three (AA, BB and CC) 6-team pools will play two sets to 25 starting at 0. Must win by 2 points.

### **Friday, October 31, 2014**

**9:00 AM - 3:00 PM**

The 9 remaining of the fifteen matches of the 2<sup>nd</sup> round of pool play. Three (AA, BB and CC) 6-team pools will play two sets to 25 starting at 0. Must win by 2 points.

**See Round 2 Pool Schedule.**

**For determining placement we will first look at pool play W-L record.**

- If two teams hold the same pool play W-L record:
  - We will look at the head to head results of the teams' pool sets.
  - If the teams split, we will then place the team with the least points allowed during the head to head pool play in the higher position.
  - If they are still tied, then we will look at pool play point differential (points scored minus points given up for all pool sets). The team(s) with the higher point differential will be placed higher.
  - If teams are still tied after all this, there will be a coin flip.
- If three teams hold the same W-L record:
  - We will look at pool play point differential (points scored minus points given up for all pool sets). The team(s) with the higher point differential will be placed higher.
  - If any teams are still tied at this point, we will put the head-to-head winner of their last pool play match in higher place.
  - If they split, the team with the least points allowed during the head to head pool play will be placed higher.
  - If any teams are still tied after all this, there will be a coin flip.

## Tournament Bracket Play Format

This year's tournament bracket play will consist of **3** divisions: **Gold, Silver** and **Bronze**. The format ensures that all teams play at least 2 matches in tournament bracket play. Teams will be placed into the brackets based on their finish in Friday's Pool Play. For example, if a team finishes 2nd in Friday's BB pool play they will be placed in the BB 2 spot in the Gold Bracket. To help ensure that teams will not have to replay a team that they just played in pool play, we will place the other team from the same pool that qualified for bracket play on the other side of the bracket. For example, a team that finishes 1st in pool play will be on the opposite side of the bracket of the team that finish 2nd in the same pool. See the brackets below for specifics on how teams will be placed into tournament matches.

### Friday 3:30 PM

The Gold division tournament will be a 6 team bracket made up of the 1<sup>st</sup> and 2<sup>nd</sup> place teams from Round 2 pool play (AA, BB, and CC). Gold division tournament play in the quarter-finals, semi-finals and championship final will be best 3 out of 5 (scored 1 to 25). Game 5 will be scored 1-15. All other play will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15.

### Saturday 8:00 AM

The Silver division tournament will be a 6 team bracket made up of the 3<sup>rd</sup> and 4<sup>th</sup> place teams from the Round 2 pool play (AA, BB, and CC). All Silver tournament matches will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15.

### Saturday 8:00 AM

The Bronze tournament will be a 6 team bracket made up of the 5<sup>th</sup> and 6<sup>th</sup> place teams from the Round 2 pool play (AA, BB, and CC). All Bronze tournament matches will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15.
